### About the

#### GREENFORD CHRISTIAN CHURCH **BIG REACH CENTER OF HOPE**

*"Helping individuals and families in  
crisis experience life-changing HOPE"*

**Through contributor and volunteer support**, we are a donation-based, local outreach ministry serving anyone in need from the Mahoning Valley and surrounding communities.

**Big Reach Center of Hope is a neighborhood mission field** where we hope to see those in crisis pursue a personal relationship with Christ and develop a self-supporting lifestyle. We can help by meeting both tangible and spiritual needs and recognizing the beauty and dignity of every person.

Whether giving or receiving, involvement with the Big Reach Center of Hope means the opportunity for prayer and encouraging relationships, weekly food and clothing distributions, and connections to community resources.

**Big Reach Center of Hope** was founded in 2004 as a ministry of Greenford Christian Church, recognized as a 501(C)(3) non-profit organization. Learn more about Big Reach Center of Hope by visiting us online at **BRCOH.ORG**
