Food for Thought (FFT) is Big Reach Center of Hope's weekend food program that provides nutritional support for children during the school year.

Through a partnership with local school districts and student volunteers, **we have packed over 14,000 bags this past school year** and we anticipate this number to grow.

This summer, we are planning some fun ways **for you and your family to support this program,** and promote awareness in our community.

for more details, visit:

brcoh.org/fft
